Class- II

Global Action Day

No (X) Yes (✓)

A group of six students is standing in front of a whiteboard. The whiteboard has 'Class- II' and 'Global Action Day' written on it, along with 'No (X)' and 'Yes (✓)'. The students are holding various items, including a bag of 'veeta' cheese, a colorful stuffed toy, and a white t-shirt. One student is holding a bag labeled 'spare'.

**We are on Earth to take care of life. We are on earth to take care of each other 🌍*

Global Action Day typically refers to a coordinated effort by individuals, organizations, or communities

around the world to take action on a specific issue or cause. It's a powerful way to raise awareness, mobilize resources, and effect change on a global scale. Little Florians did Climate ready through bioeconomy activities in their respective classes. Students brought jute bags, organic food, plastic bag etc. Students spoke few lines / slogans in class. Teacher's talk done in class. They also got aware about that we should say no to plastic bags and eat organic food.
