

# REPORT- EARTH DAY

Earth Day is celebrated on April 22 every year to promote environmental protection and sustainability. It is a reminder of our responsibilities towards the environment. This Day was celebrated in LFPSSS under the theme of the year "**Planet versus Plastics**" to create the awareness about the critical environmental challenges and how we can meet these challenges. A special morning assembly was organised by the students of class 12th. A PPT was presented by Shreya Tyagi, XII-D about the dangers of the use of plastic the students were motivated to avoid the use of plastic.
