

LITTLE FLOWERS PUBLIC SR. SEC. SCHOOL
SHIVAJI PARK, SHAHADARA, DELHI-32

DATE: 31.08.2024

We are organizing an **Educational Excursion to KidZania(Noida) for the students of Classes I to IV in the last week of September** for breaking the monotony with a dose of entertainment and education. **The package programme including transportation & lunch is ₹1300/- per student. Students must wear School Uniform.**

Some information about KidZania :

KidZania is a Global Indoor Theme Park and World's largest interactive platforms for school that teaches kids life shaping skills via role play based activities and realism. **KidZania** is the next level of Amusement park that's here to stay, with a perfect mix of fun, learning and socialization.

Unlike traditional theme parks & Kids Zones in malls, there are neither arcade games nor amusement rides at KidZania. It represents industries present in the real world and empowers children through the 90+ role-playing activities based on replicas of real-world industries. Children can take on various roles including that of a pilot, surgeon, detective, chef, fireman, television producer, radio jockey, mechanic and others. These activities have been designed by educators to help develop psychomotor, cognitive and social skills amongst children.

KidZania believes it can promote change, inspire global citizenship and build strong community awareness amongst children through an experience that is hands-on, engaging, and fun. By blending reality with entertainment, KidZania provides an authentic and powerful developmental experience, preparing kids to understand and manage their world. Through each activity, kids learn about how **society functions, financial literacy, adult professions, teamwork, independence, self-esteem and real-life skills.** **Concept Link:** <https://www.youtube.com/user/KidZaniaIndia>
