**CIR. NO. : LFPS/2440/2024**

**DATE : 20.08.2024**

Dear Students,

The Government of India has declared August 23<sup>rd</sup> of every year as 'National Space Day' to commemorate the success of the Chandrayaan-3 mission, which accomplished the safe and soft landing of Vikram lander at 'Shiv Shakti' point and the deployment of Pragyaan Rover on the lunar surface on 23<sup>rd</sup> August, 2024. The declaration of National Space Day has also been published in the Gazette of India.

Being the maiden National Space Day, it is proposed to organize widespread celebrations throughout the country in the month of August 2024. The objective is to engage and inspire the youth of the nation towards space technology and its applications. The proposed theme for the National Space Day 2024 is 'Touching Lives While Touching the Moon: India's Space Saga'

**In view of above, go through the following activities:**

1. Participate actively in the Drawing competition on Chandrayaan-3 to be held on 22<sup>nd</sup> August, 2024 for classes VI to XII in Astronomy Lab. Kindly submit your name to the class teacher.
2. Bharat on the Moon portal <https://bharatonthemoon.ncert.gov.in/> was launched last year. You can register on the portal and participate in the various activities.
3. The Chandrayaan modules are also available at: <https://ncert.nic.in/chandrayaan.php>
4. Our school is organizing online quiz on 23<sup>rd</sup> August, 2024 from 9:00 am to 9:00 pm through School Application. **All the participants will get e-certificate.**
