CIRCULAR - STORY TELLING ACTIVITY

CLASSES : I & II

Dear Parents,

Storytelling is one of the oldest, most powerful forms of teaching and offers many excellent benefits for school age children. It develops the ability to learn about different values, traditions, and life experiences through stories. That's why we will be **conducting a Story Telling Activity for our students from 20th April to 23rd April 2024 on the occasion of World Book Day.** Each student should narrate a short story with a moral to the classmates.

Please take note of the following guidelines and prepare your child accordingly:

- The time limit is 2-3 minutes per student (please adhere to the time limit so that all the students get an opportunity.)
- Costumes are not mandatory. However, a puppet / small prop may be used.
- Actions and expressions while narrating the story are encouraged.
